- That disclosure and delivery of the affidavit would seriously jeopardize the outcome and success of the investigation by divulging sensitive and confidential information known only to investigators and any suspect(s) and also identify persons cooperating with the investigation thus possibly jeopardizing their personal safety and well-being.

As such

The search is part of a continuing investigation, which would be adversely affected by the giving of a copy of the affidavit, application and return and the unsealing of the same at this time (54-33c(a)).
