

I am jealous of my father who  
has received the reward of Jannatul Firdaus (insallah)  
before me. I do not mourn because his soul is  
very much alive. God has a plan for each person.  
Mine was to hide in his bag and shed some light on our  
actions. I ask Allah to make me a shahid (IA) to allow me to return to  
him and be among all the righteous people in the highest levels of heaven.  
He who Allah guides no one can mislead.

Allah Akbar!
